

# Lovely Solitaire Privacy Policy

## 1. Collection and Use of User Data

### 1.1 Advertising with Google AdMob

Lovely Solitaire utilizes Google AdMob for displaying advertisements. Google AdMob may collect certain data to optimize ad targeting and display. This may include information such as ad click data, unique device identifiers, IP addresses, and browser types.

For detailed information about Google AdMob and opt-out options, please refer to [Google's Privacy Policy](#).

## 2. User Rights and Opt-Out

Users of Lovely Solitaire have options regarding the collection of personal information and customization of advertisements. The following outlines how users can manage these settings..

### 2.1 Personal Information Settings

Users can adjust advertising tracking options through their device settings. The specific steps may vary based on the specifications of each device, so please check the settings on your specific device.

### 2.2 Advertising Opt-Out

Users can disable targeted advertising by changing the personalized advertising option. For details about opting out of Google AdMob, please visit [Google Ad Settings](#).

### 3. Contact Information

For any questions or inquiries regarding the privacy policy, please feel free to contact us using the information below.
